

The Story of Captain: The Horse with the Human Brain (Classic Reprint)

Filesize: 7.79 MB

Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *The Story of Captain: The Horse With the Human Brain* Early in the year 1915 I was called to lecture on California and the West in the beautiful Sunset Theater of the Southern Pacific Building at the San Francisco Exposition. In taking a survey of the Zone I was soon attracted to a gigantic horse in process of manufacture out of wood and plaster, and a placard before it indicated that a trained horse would soon be shown here. Being fond of animals, naturally, and having seen and read considerably of trained horses, I was ready for the first opening of this show, and there was introduced to Captain, the educated horse, or, as he has been termed, the horse with the human brain. My opinions as to the quality of Captain's intelligence I have recorded later, but his first performance was a delight to me. His appearance was pleasing. He looked well cared for, contented, happy and willing to go through his exhibition. There was none of the holding back, the whipping, the sharp orders, the ugly looks one so generally sees on the faces of trained animals when they are being put through their tricks. Most of these poor creatures show so manifestly that they are trapped, are made to do what they do not like, and that they resent it, that I seldom can tolerate the sight of their anger and humiliation - for that is clearly what nearly every animal reveals to me at these exhibitions. Here, on the other hand, was an animal that enjoyed his work. He treated it as fun; just as my own Arab colt treats...
