Brand New Book ***** Print on Demand *****.Excerpt from **Rules and Regulations: As Amended by Order No; 11 of June 6, 1921, Governing the Administration of the Federal Water Power Act, With Copies of the Act, of Amendment Thereto, and of Orders** Nos; 1 to 11, Inclusive A. The commission has jurisdiction over all projects involving the construction, operation, and maintenance of dams, water conduits, reservoirs, power houses, transmission lines, or other project works for the development, transmission, and utilization of power (except as noted in paragraph B below) which affect - (a) Navigable waters of the United States, as defined in the Federal Water Power Act and in these regulations. (b) Other waters of the United States over which Congress has jurisdiction under its authority to regulate commerce with foreign nations or among the several States, when the commission finds that the interests of interstate or foreign commerce will be affected. Anyone proposing to build a project on waters over which he considers the jurisdiction of the commission doubtful should file a Declaration of Intention under Regulation 7. The commission will thereupon make an investigation and determine whether the proposed project will affect the interests of interstate or foreign commerce. If the commission finds that such interests will be affected, the project comes under its jurisdiction and can not lawfully proceed except under permit or license issued by the commission. If the commission does not so find, the act authorizes the project to proceed upon compliance with State laws. (c) Public lands or reservations, including lands for which patent has been issued with an express reservation therein under section 24 of the act, or for which locations, entries, selections, or filings have proceeded...
