Piano Lessons is Noah Adams s delightful and moving chronicle of his fifty-second year - a year already filled with long, fast workdays and too little spare time - as he answers at last a lifelong call: to learn to play the piano. The twelve monthly chapters span from January - when after decades of growing affection for keyboard artists and artisans he finally plunges in and buys a piano - through December, when as a surprise Christmas present for his wife he dresses in a tuxedo and, in flickering candlelight, snow falling outside the windows, he attempts their favorite piece of music, a difficult third-year composition he s been struggling with in secret to get to this very moment.
