Diseases of the Heart and Aorta (Classic Reprint)

By Arthur Douglass Hirschfelder

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Diseases of the Heart and Aorta The researches in the great field of inner medicine have so multiplied in recent years that it has become highly desirable that we should have from time to time, in addition to the summaries of progress contained in the general text-books on practice, monographs which picture more completely the status of our knowledge in the several special divisions of the subject. In diseases of the circulatory system new methods of study have led to the discovery of many new facts, and a great many workers have been attracted during the last twenty years to this domain of cardiovascular inquiry. In the medical clinic at the Johns Hopkins Hospital, Dr. Hirschfelder has during the past few years occupied himself especially with such studies. The present volume is an attempt to epitomize the actual condition of the subject at the present time, as viewed from the standpoint of an active investigator of extensive first-hand experience who has also a wide acquaintance with the literature of the physiology and pathology of the...
