Then why is it that you will choose a mate without knowing whats going on inside him Most of you would agree that love letters are a great way into your heart. But though your man fills them with sweet words and promises, do you know what hes really saying between the lines Stop looking at the words and check out how he writes. Hand-writing doesnt lie. Finding Mr. Write gives you all the tools you need to uncover everything you should know about your man, no matter how well he thinks hes hidden it.
