THE WALKING MAN

Outskirts Press, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Top Secrets Unveiled Within! The Walking Man is a bilingual French/English book, a collection of my poems and my own composition of spiritual songs. Certainly, it's about poetry in general, with spiritual, uplifting and inspirational, love and other themes, that reflect man's life as he walks in this world seeking the things he needs, beautifully written in different poetic forms and some poems are well-expressed in my very own invention - the mixed rhyme, such examples of this poetic form are the Text Me A Poem and The Secret Of A Mango Tree. There are haiku and senryu poems, as well. And also, I included some of my favorite bible verses; and most certainly, my own experiences in life are also reflected in this book.
