

## Thomas Hardy

---

By Lance St. John Butler

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 1978.  
Paperback. Book Condition: New. 210 x 138 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This study of Thomas Hardy provides a substantial introduction to his six major novels and his poems. It deals more briefly with the minor fiction. Hardy now seems a more important novelist and poet than at any previous time. This is only partly due to his capabilities as a social historian or provincial chronicler. Far more important is his faithful exploration of the daily trials and tragedies of men and women as feeling beings. Man and woman in love, man and woman up against it, are the central themes of his fiction and poetry. His ability to universalise his tragic material, in which he is akin to Shakespeare, is seen as his abiding achievement. Detailed analyses are made of some crucial passages in the major novels and a serious attempt is made to counter the proposition that Hardy wrote badly.
