Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.People caring for a client with mental disorder are called mental health professionals. They include psychiatrists, practitioners, counselors, psychologists, nurses, therapists, social workers, case managers, psychiatric technicians, aides, and others. These types of professionals are trained both academically and clinically in the field of mental health. A licensure examination or certification is usually required before getting hired or sworn in as a mental health professional. This book contains practice questions with rationales broadly and explicitly covering mental health, behavioral science, and Psychiatry including theories of personality, defense mechanisms, psychosocial tasks, developmental disorders, anxiety disorders, affective disorders, organic brain syndromes, mood disorders, personality disorders, eating disorders, substance abuse disorders, schizophrenia, sexual issues, psychopharmacology, psychotherapy, therapeutic techniques of communication, and other important topics. It is not intended to reflect the exact questions of the Board examination. The author's intention is to provide effective review material for the reader. Various levels of difficulty are reflected in this book. There are easy and difficult questions. Sample Questions: 1. The mental health professional is visiting a school where a first grade student was murdered in the school's playgrounds. Counseling is planned for the classmates of the murdered child. Which of the following should be initially identified to understand how will a child respond to this case? (a. the quality of the child's peer relationship at school and home b. the communication pattern within the child's family c. the child's perception of the situation d. the child's developmental level) 2. Donepezil was administered to a client with Alzheimer's disease. The drug doesn't seem to help improve the client's condition. Which of the following will increase...
