

# The Bird in the Waterfall: Exploring the Wonders of Water

Filesize: 1.33 MB

## Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## THE BIRD IN THE WATERFALL: EXPLORING THE WONDERS OF WATER

Dca, Inc., United States, 2014. Paperback. Book Condition: New. Glenn Wolff (illustrator). 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is nothing in the universe like water. It is unique and beautiful and without it there could be no life on earth. Little wonder, then, that people have always expressed such awe, delight, and reverence for it. The Bird in the Waterfall is a celebration of the wonders of water and the creatures that live in it. While exploring waterfalls and artesian springs, ocean waves and tidal bores, whirligig beetles and torrent ducks, author Jerry Dennis and artist Glenn Wolff address age-old aquatic mysteries: Why do rivers meander? What are the sources of hot springs and geysers? What causes tsunamis and rogue waves? Why is water blue-and sometimes green, black, yellow, or red? Why do we gather to watch falling water and crashing surf? Why do we toss coins into fountains? At the heart of The Bird in the Waterfall is a profound appreciation for the magic, music, and poetry of water-and a passionate appeal for the protection of this most precious of the earth's resources. PRAISE: A passionate appreciation for the magic, music, and poetry of water, and an appeal for the protection of this most precious of the earth's resources. - Natural Resources and Wildlife Magazine Jerry Dennis is one of today's most readable and informative nature essayists, and his latest book, The Bird in the Waterfall, is a marvelous look at the natural history of oceans, rivers, and lakes. It ought to be required reading for anyone who loves the outdoors, angling, surfing, beachcombing, or birding. - Buffalo News The Bird in the Waterfall is truly science for everyone. When you have finished reading it, you will...
